Decatur, Georgia

SALARY: \$139,230.00/yr. – \$162,792.00/yr.
(Salary commensurate with training and experience)

The State Medical Examiner's Office, within the Division of Forensic Sciences, Georgia Bureau of Investigation (GBI) is seeking qualified applicants to fill an Associate Medical Examiner position at the headquarters facility in Decatur, Georgia. The successful applicant will join a system that encompasses three regional medical examiner offices located in Savannah, Augusta, and Macon, Georgia, in addition to the headquarters facility. Collectively, these four offices provide complete forensic pathology services to 153 of the 159 counties in Georgia.

The State Medical Examiner's Office has a total of 14 medical examiners throughout the state, including a board certified pediatric pathologist staffed at headquarters. This office also operates the Child Abuse Investigative Resource Center, which provides consultative services to law enforcement, district attorneys, the Division of Family and Children's Services, and other agencies, where inflicted injury is suspected in living children.

The headquarters facility handles approximately 3000 autopsy cases per year, including about 400 to 450 homicides. The headquarters medical examiner's staff currently consists of one (1) chief medical examiner, two (2) deputy chief medical examiners, (6) associate medical examiners, sixteen (16) death investigation specialists, one (1) photographer, and four (4) office support staff. The average caseload per pathologist is between 250-300 cases per year.

The GBI Medical Examiner's Office is accredited by the National Association of Medical Examiners. To learn more about the GBI Medical Examiner's Office visit <http://gbi.georgia.gov/medical-examiners-office>.
